Dear Citizens,

On behalf of the men and women of the Cumberland County Sheriff's Office, I would like to express my sincere appreciation to you for the privilege of providing law enforcement services for the Town of Harpswell.

As we embark on a new year, the Cumberland County Sheriff's Office is committed to providing prompt, efficient and professional law enforcement services to the citizens of Harpswell. Recently, the Cumberland County Sheriff's Office applied for and received a Homeland Security grant, which will link each laptop computer in the cruisers with dispatch and the jail. This new technology will allow the rapid transmission of various forms of data, such as booking photos, computer aided dispatching and the ability to query information from the Department of Motor Vehicles. We anticipate that this new technology will further enhance the efficiency and information sharing capabilities of each deputy assigned to the Town of Harpswell, as well as those working throughout Cumberland County.

We welcome your support, suggestions and input as we continue to strive for increased excellence in law enforcement services.

Best Regards,

Sheriff Mark N. Dion

Cumberland County Sheriff's Department
